Set Up Shelter in Cedar Rapids**

Seattle, WA—Visitors to the Animal Rescue Site (www.theanimalrescuesite.com) donated nearly \$8,000 to provide relief for animal victims of the Midwest floods in June.

Through the site's Gifts That Give More™ program, the \$7,975.00 donated in June for the relief of animal victims was distributed by GreaterGood.org to the Humane Society of the United States to support their work in Cedar Rapids, Iowa.

“The Humane Society of the United States’ Emergency Services department has been quite busy the past several weeks responding to devastating flooding in Cedar Rapids, Iowa. We sent a dozen HSUS staff and dozens of National Disaster Animal Response Team volunteers to the affected area to perform water and land rescues and oversee emergency animal sheltering,” reported Scotlund Haisley, HSUS senior director of Emergency Services.

Haisley continued, “In addition, we set up a temporary animal shelter housing and caring for more than 1,200 animals. The generous grant received from Greatergood.org helped fund the expenses for this shelter, in addition to helping cover the medical costs for these animals. As many as 50 people per day have been flocking to the emergency shelter to be reunited with their missing pets. Many of these people had lost everything they owned,

but their main priority was finding their missing animal companions. I feel honored that our team was able to help ease their pain by bringing their pets safely back to them.”

The Animal Rescue Site began raising money for Midwest animal victims on June 16, 2008, and will continue to take donations throughout this difficult time to support the work of animal rescue charities.

More on the Animal Rescue Site And GreaterGood.org

Celebrating its sixth anniversary in July, The Animal Rescue Site provides funding to animal rescue charities through three important channels: the company’s innovative “Click to Give” program, direct donations through such site programs as Gifts That Give More™, and contributions paid for by items sold through The Animal Rescue Site’s store.

Petfinder.com Foundation, the Fund for Animals, and the North Shore Animal League are all beneficiaries of the Animal Rescue Site’s “Click to Give” program.

The “Click to Give” program allows visitors to The Animal Rescue Site to provide food and care for a rescued animal living in a shelter or sanctuary by simply clicking on the purple button located at the top of the homepage (www.theanimalrescuesite.com). Each “Click to Give” on the site’s homepage is paid for by advertisers and 100% of this ad revenue goes directly to support the work of the charities listed on the site. In 2007, clicks on The Animal Rescue Site funded the value of 42,724,313 bowls of food for animals in need.

The totals of the 2008 Click to Give program are posted on The Animal Rescue Site’s results page and are updated daily.

The Animal Rescue Site also partners with charities throughout the world to create Gifts That Give More.™ The Gifts That Give More™ allow visitors to The Animal Rescue Site to directly support projects. Recent additions to the Gifts That Give More™ program include assistance to charities aiding animal victims of the U.S. Midwest floods, funding for the VSPCA programs in India, and support for IFAW’s programs to rescue and feed baby elephants orphaned by poachers.

Each Gifts That Give More™ donation is tax-deductible in the U.S.A., and donors will receive a receipt from GreaterGood.org (100% of each Gifts That Give More™ goes directly to the charity as GreaterGood Network stores do not receive any profit from the sale of any Gift That Gives More™. GreaterGood.org has ultimate authority and discretion with regard to the distribution of its funds. All expenditures made are consistent with the exempt purposes of GreaterGood.org).
